**From P27 - DAMRON, DAVID H. 10/28/2017 20:09**  
- I spoke with Mary Kramer who allowed me in the house to see Madeline. The child  
did not have a black eye or any other injuries. She appeared to be of good spirits and  
was happily watching television. Mary stated her and Madeline went shopping today  
and to dinner. At no point was Madeline "depressed."
